

SOLO Health Plan Application

Thank you for your interest in the SOLO plan, underwritten by Rocky Mountain HealthCare Options, Inc. (RMHCO). Read every section carefully and be sure to complete all items. **Unanswered questions or incomplete/omitted information will result in the return of this application to you and will delay your enrollment in this health care plan.** The SOLO plan is medically underwritten. This means that health care coverage is not guaranteed. Applicants **must** complete a health questionnaire that will be considered before an application is accepted or rejected.

Applicants age 50 or older are required to submit with the initial application a current (within the past 12 months) medical history and physical examination record. The physical exam record must include any health screening tests (including mammogram, PAP, or PSA) or procedures, a fasting blood glucose, and a lipid panel. **Infants** who are at least two months of age and under six months of age will require medical records from their two and/or four month well-child check along with immunization records. Costs associated with such services will be the responsibility of the applicant.

If you are age 65 or older or you have a disability and qualify for Medicare, this Individual Plan is not available to you. Call 800-346-4643 for information on Medicare benefit options.

If you have questions or need additional information as you complete this application, call your broker or RMHP at 800-453-2981, option 4.

Fax the completed application and medical records to 970-244-7992.

Please check the plan for which you are applying below. Be sure to check the Accident Rider or Prescription Drug rider if you want to add those to the medical plan. Generic drug coverage will be included if a different drug rider option is not selected.

Pre-Existing Condition Limitation Period

A pre-existing condition is an injury, sickness, or pregnancy for which the Member has, during the 12 consecutive months immediately preceding the Member's effective date of coverage under the plan applicable, either: (a) incurred charges, (b) received medical treatment, (c) consulted a health care professional, or (d) taken prescription drugs. Rocky Mountain Health Plans will not pay for services related to a preexisting condition for 12 consecutive months after the Member's original membership Effective Date. (This 12 months is the pre-existing condition limitation period.)

Upon approval of your application, the length of the Pre-Existing Condition Limitation Period will be reduced or eliminated for you and each family member who has creditable coverage. The creditable coverage must have ended within 90 days prior to your enrollment in RMHP. Creditable coverage includes health care coverage provided under: (a) Medicare or Medicaid; (b) an employee welfare benefit plan, group health insurance, or group health benefit plan; (c) an individual health benefit plan; (d) a state health benefits risk pool (including but not limited to the Cover Colorado Uninsurable Health Insurance Plan and CHP+) or (e) other federal coverage. **You must provide proof of creditable coverage for every family member listed on this application who has had health care coverage within the last 12 months.**

Such creditable coverage reduces the Pre-Existing Condition Limitation Period by one day for each day of creditable coverage. For example: If you had creditable coverage for three months before enrolling in the SOLO plan and such creditable coverage ended less than 90 days prior to your enrollment date, then your Pre-Existing Condition Limitation Period will be reduced from 12 months to nine months. If the creditable coverage ended more than 90 days prior to your enrollment date, then the full 12-month Pre-Existing Condition Limitation Period will apply.

The insurance company or health plan that provided your previous health care coverage should have given you a certificate stating that you had creditable coverage and specifying the time period of such creditable coverage. If you are still covered under another health care plan or you do not have a certificate evidencing your prior creditable coverage, you can ask RMHP to help you obtain proof of creditable coverage. Contact RMHP at 970-244-7800, option 4 or 800-453-2981, option 4.

Complete the chart above for yourself and each family member listed on this application. List all current health care coverage policies and/or all previous health care coverage policies in effect during the last 12 months. Add and label additional pages if necessary.

Health Questionnaire

All questions must be answered completely for each person applying for coverage on this application or the application will be returned.

Any knowing misrepresentation as to the presence or severity of any health condition, impairment, or disease could result in retroactive termination of coverage. Any failure to notify RMHP of any medical condition, impairment, disease, or change in any applicant's health status that occurs or is diagnosed between the date of application and the later of the effective date of coverage or the date coverage is approved could also result in retroactive termination of coverage. RMHP shall have the right to request and review additional information regarding health history and any change in health status that occurs between the date of application and the effective date of coverage. This additional information may be used to determine if RMHP will accept or decline your application prior to the effective date of coverage. No notice of acceptance related to your application can bind RMHP to coverage prior to the effective date of coverage, and failure to provide additional requested information could result in your application not being accepted.
