¹ “Network” refers to a specified group of physicians, hospitals, medical clinics and other health care providers that your plan may require you to use in order for you to get any coverage at all under the plan, or that the plan may encourage you to use because it may pay more of your bill if you use their network providers (i.e., go in-network) than if you don’t (i.e., go out-of-network).

² “Deductible Type” indicates whether the deductible period is “Calendar Year” (January 1 through December 31) or “Benefit Year” (i.e., based on a benefit year beginning on the policy’s anniversary date) or if the deductible is based on other requirements such as a “Per Accident or Injury” or “Per Confinement.”

^{2a} “Deductible” means the amount you will have to pay for allowable covered expenses under a health plan during a specified time period (e.g., a calendar year or benefit year) before the carrier will cover those expenses. The specific expenses that are subject to deductible may vary by policy. Expenses that are subject to deductible should be noted in boxes 8 through 31.

^{2b} “Individual” means the deductible amount you and each individual covered by a non-HSA qualified policy will have to pay for allowable covered expenses before the carrier will cover those expenses. “Single” means the deductible amount you will have to pay for allowable covered expenses under an HSA-qualified health plan when you are the only individual covered by the plan.

^{2c} “Family” is the maximum deductible amount that is required to be met for all family members covered by a non-HSA qualified policy and it may be an aggregated amount (e.g., “\$3000 per family”) or specified as the number of individual deductibles that must be met (e.g., “3 deductibles per family”). “Non-single” is the deductible amount that must be met by one or more family members covered by an HSA-qualified plan before any covered expenses are paid.

³ “Out-of-pocket maximum” means the maximum amount you will have to pay for allowable covered expenses under a health plan, which may or may not include the deductibles or copayments, depending on the contract for that plan. The specific deductibles or copayments included in the out-of-pocket maximum may vary by policy. Expenses that are applied toward the out-of-pocket maximum should be noted in boxes 8 through 31.

⁴ Medical office visits include physician, mid-level practitioner, and specialist visits, including outpatient psychotherapy visits for biologically based mental illness.

⁵ Well baby care includes an in-hospital newborn pediatric visit and newborn hearing screening. The hospital copayment applies to mother if complication of pregnancy and well-baby together; there are not separate copayments.

⁶ Prescription drugs otherwise excluded are not covered, regardless of whether preferred generic, preferred brand name, or non-preferred.

⁷ “Emergency care” means all services delivered in an emergency care facility which are necessary to screen and stabilize a covered person. The plan must cover this care if a prudent lay person having average knowledge of health services and medicine and acting reasonably would have believed that an emergency medical condition or life- or limb threatening emergency existed.

⁸ Non-emergency care delivered in an emergency room is covered only if the covered person receiving such care was referred to emergency room by his/her carrier or primary care physician. If emergency departments are used by the plan for non-emergency after-hours care, then urgent care copayments apply.

⁹ “Biologically based mental illnesses” means schizophrenia, schizoaffective disorder, bipolar affective disorder, major depressive disorder, specific obsessive-compulsive disorder, and panic disorder.

¹⁰ Waiver of pre-existing condition exclusions. State law requires carriers to waive some or all of the pre-existing condition exclusion period based on other coverage you recently may have had. Ask your carrier or plan sponsor (e.g., employer) for details.

¹¹ Grievances. Colorado law requires all plans to use consistent grievance procedures. Write the Colorado Division of Insurance for a copy of those procedures.
