# Colorado Springs Health Partners

Rocky Mountain Health Plans is Colorado-based and Colorado-focused. We were founded in Grand Junction more than 40 years ago to provide all Coloradans access to high quality health care. We continue this commitment and combine the personalized attention, quality care, and comprehensive coverage that our Members deserve and have come to expect from their local, not-for-profit health insurance option.

## Close to Home Care

RMHP and Colorado Springs Health Partners, P.C. have partnered together to create a health plan that centers around you and your needs in the Colorado Springs community.
