

IMPORTANT NOTICE – PLEASE READ 2016 Medicare Cost-Sharing Amounts

Dear Prospective Member:

The Centers for Medicare & Medicaid Services (CMS) have not released the 2016 Medicare cost-sharing amounts as of the printing of this booklet. Please note that the Outline of Coverage that follows this notice includes the current 2015 Medicare cost-share amounts and premium rates effective as of January 1, 2016.

The Medicare amounts are your responsibility with only Original Medicare. Coverage of these Medicare amounts varies by Medicare Supplement plan. If you enroll in a plan that covers the Medicare amount(s); such as, the deductible for Medicare Part A (2015 = \$1,260), Part B (2015 = \$147), the amount covered by the plan you enroll in will be adjusted to cover the 2016 Medicare amounts once they are released.

All Medicare Supplement plans are offered to Medicare qualified individuals under the age of 65.

Premium Information

Plans A, F & N | Effective January 1, 2016

Premiums are subject to change.

Here's some important information, before we get started:

We, Anthem, can only raise your premium if we raise the premium for all plans like yours in this State. We will recalculate your age each year and adjust your premium based on the new age band in January of each year up to the age cap.

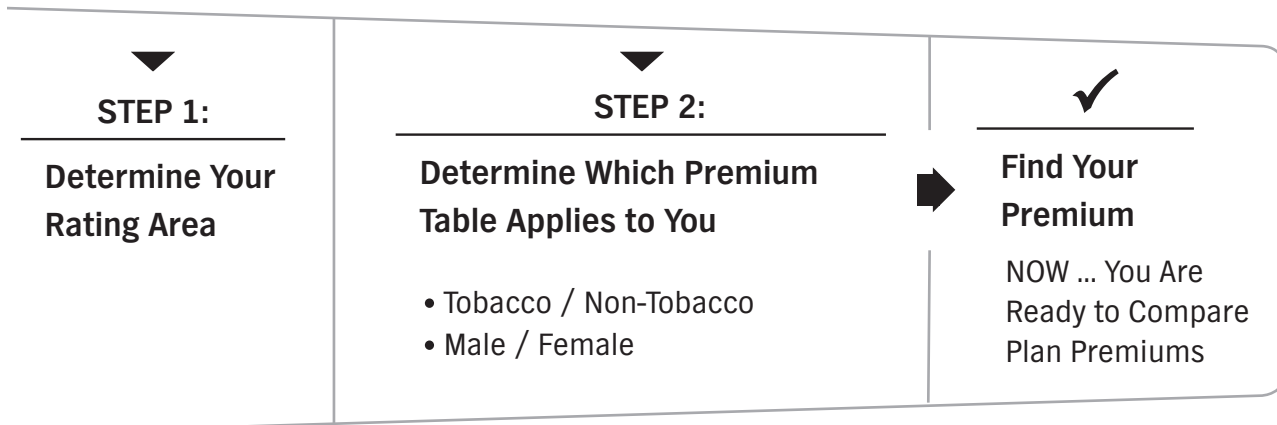

Premiums are subject to change on or after the Renewal Date in accordance with the terms of the Policy. Renewal Date is defined as January 1, subject to state approval. The selected billing preference does not guarantee your premium for any specific period. Approved premium changes are effective as of the Renewal Date.

If you select a billing method other than Monthly EFT (Electronic Fund Transfer), the billing frequency takes effect on the first day of the payment period that immediately follows your coverage effective date. Based on your selected billing method and your coverage effective date, we will prorate the initial premium to align you with the quarterly or annual billing. For example, if you select quarterly billing and your coverage effective date is September 1, your quarterly billing will start on October 1. We base annual billing on a calendar year (January-December).

Find Your Premium

Premiums (and future changes to premiums) are determined by several factors, including the zip code where you live, tobacco use, age, gender, plan, and the costs of medical services and supplies.

Medicare deductibles and coinsurance amounts are effective as of January 1, 2015. Medicare may change their amounts annually.

Read Your Policy Very Carefully

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and Anthem.

Right to Return Policy

If you find that you are not satisfied with your policy, you may return it to us at our Administrative Office: P.O. Box 9063, Oxnard, CA 93031-9063. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

Policy Replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

This policy may not fully cover all of your medical costs.

Neither Anthem nor its agents are connected with Medicare.

This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult Medicare and You for more details.

Complete Answers are Very Important

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.
