The Open Enrollment Period is your chance each year to sign up for health insurance. Open Enrollment dates have changed this year. Call today to make sure you don't miss out.

Your choice, your way.

Open Enrollment for 2018 starts **November 1, 2017** and ends on **January 12, 2018**

Elevate is dedicated to your health and well-being. We believe health care should be easy to understand and affordable for everyone.

If you have a Life Change Event such as marriage, divorce, the birth or adoption of a child, just turned 26 or if you are new to Colorado, you may qualify to enroll outside of Open Enrollment. Please call Elevate for more information at 303-602-2090.

Choose your plan.

Bronze
Bronze plans have the highest deductible in exchange for a lower monthly premium. This is a good plan for those who don't go to the doctor often, but want the security to know they have coverage when they need it. The Advance Premium Tax Credit (APTC) subsidy can be applied to premiums for a Bronze plan.

Silver
Choosing a Silver plan may allow you to save in two ways. First, if you qualify for the APTC, you can use it to lower your monthly premiums. In addition, you may also qualify for the Cost Sharing Reduction (CSR) subsidy—only available in Silver plans—that lowers deductible, copays, and coinsurance costs.

Gold
Gold plans mean you'll have a higher premium, but will pay less each time you go to the doctor. If you qualify for the APTC, you may apply the subsidy to your Gold plan premium.
